From Our Club President

Get Your Calendars Ready ... and Be Ready to Serve

Dunwoody Rotarians,

I am fired up about making a difference and having fun while we're doing it. Our hybrid Rotary meetings - in person and by Zoom - are working well; thanks to Griff Ransom and others for working on the technology to make that happen. Our speakers have been great - thanks to Kathy Brandt for that!

Last week we had a great Thirsty Thursday gathering at Cathie Brumfield's home - and we're planning to gather there again next month - on November 19 - this time with a cozy fire in the firepit. And we have plans underway for our holiday luncheon on December 11 at the Dunwoody Country Club.

But I'm just as excited about our upcoming service opportunities. As most of you know, the Community Assistance Center does an amazing job of providing emergency services and food to people in the Sandy Springs and Dunwoody communities. Our speaker a few weeks ago shared a lot of statistics about who they're helping and the services they provide. We have identified an opportunity to help by volunteering one Saturday a month in their food pantry - starting November 7,

We also have opportunities for in person service on October 31 at Bounds Garden and on November 14 at the Dunwoody Nature Center. And we have an opportunity to participate in an Electronics Recycling event sponsored by two of our DeKalb Rotary Council clubs on November 7, and to help with turkeys and Harvest Baskets for Kingsley Elementary and the annual Toys for Tots Drive.

I am feeling good about the direction we're headed and hope to see you at many of these events. And of course on Friday ... whether you join in person or via Zoom. The Zoom link is <https://us02web.zoom.us/j/86202979419>.

President Ardy

This Week's Speaker

Rob Sayer, Founder and Director, The Music Class, Inc.

This week you can join us live at the Dunwoody Country Club or via Zoom to hear our speaker - Rob Sayer - speak about his experiences with The Music Class, Inc. Rob will be joining us via Zoom. To join us there, just follow the Zoom link - <https://us02web.zoom.us/j/86202979419>.

"Perhaps the reason I love music and teaching so much is because they both encompass creativity, working with others, and an endless path towards improvement."

Service Opportunity

ROTARY CLUB OF DUNWOODY

Fridays, 7:15 am
Dunwoody Country Club
1600 Dunwoody Club Drive

Sandy Springs, GA 30350

LEADERSHIP

President	Ardy Bastien
President-Elect	Carter Stout
Immediate PP	Cathie Brumfield
Treasurer	Josh Podczervinski
Secretary	Jennifer Bowler
Foundation	Bill Mulkey
Membership	Darrin Vanderpan

Start Your Halloween Trick or Treat Early at Bounds Garden

 Join Ranger Fred Bounds and the Bounds Garden crew at 9:00 am on Halloween morning to make sure this traffic island is dressed up well. And who knows, there might even be treats involved - at the very least some time with your fellow Rotarian gardeners!

New Opportunity to Serve

Join the RCD Community Assistance Center Support Team

A few weeks ago, we heard from the Community Assistance Center (CAC) that serves families in need in Sandy Springs and Dunwoody. Since then, we have been working to identify a project with CAC. For the next three months, we have committed to bringing a team of eight volunteers on the first Saturday of November, December and January to help cleaning, processing donations that come in and stocking shelves in the food pantry.

Our first group volunteer activity will be **Saturday, November 7 from 9:00 am - 12 noon at CAC's Sandy Springs facility**. Anyone who is interested may come for required training. If you have children who are at least 15 years old, you are welcome to bring them too. If we have more than eight volunteers, some will be released after training and can sign up for one of our other dates. Click to learn more ...

Service Opportunity

Have Old Electronics You'd Like to Recycle?

Two of our DeKalb Rotary Council partners - the Rotary Clubs of Tucker and Stone Mountain - will hold an Electronics and HME (home medical equipment) Recycling Day on Saturday, November 7, 2020, at Handy Hardware, 3969 Lawrenceville Highway (Town Square Center) in Tucker, Georgia. The proceeds will benefit FODAC (Friends of Disabled Adults and Children). This is not the first time we have supported FODAC - and it's a great way to get rid of old electronics or gently used HME.

Working and non-working electronics (with the exception of CRT monitors and televisions) and gently used HME, such as wheelchairs, crutches, walkers, commode chairs and shower benches, will be accepted for recycling at no charge, but participants are encouraged to make a donation to FODAC. Funds and equipment collected from the event will support FODAC's main program supplying HME to the mobility impaired and their caregivers, at little or no cost to the recipients.

Service Opportunity

Is It All About the Oatmeal?

The simple answer - NO! It's all about making Thanksgiving better for 80 Kingsley Elementary families who can use our help. This week, our Board approved a \$2,500 Charitable Fund donation to purchase turkeys for the harvest baskets that will be distributed just before Thanksgiving.

Anita Augello and her daughter Claudia Augello Smith are leading the Harvest Basket effort as they have for several years. Beyond Thanksgiving dinner, their goal is to fill the

basket with sustainable, nourishing products. They have reached out to the local community for donations - and have asked if we could collect boxes of oatmeal - regular or instant. **If you can help, bring a box or two of oatmeal to our November 6 or November 13 meeting at the Dunwoody Country Club or drop your contributions off at the East 48th Street Market by November 13.** The overall goal is to have 160 boxes of oatmeal.

Service Opportunities

Save the Date - Saturday, November 14 at the Dunwoody Nature Center

Plan to join us Saturday, November 14 from 9:00 AM to noon at the Dunwoody Nature Center. We need all the volunteers we can get to help with projects on the property - and your support can help us increase the impact we will have on the Dunwoody Nature Center. The activities involve proper social distancing, but allow volunteers to be close enough to share encouragement and humor.

Go to the [Dunwoody Nature Center website](#) to sign up and complete a volunteer waiver. Bring your water, gloves and plan to enjoy fellowship with your club members!
