Membership

Share the Fellowship Opportunities

As we look to GROW our membership in 2024, maybe you know someone who might like the opportunity to serve, but also enjoy the great fellowship activities we offer. Two recent events come to mind ... gathering to see The Music Man in Sandy Springs AND the unique opportunity provided by John Vinyard to tour Assembly's movie and TV production facilities in Chamblee.

Keep bringing guests to our Friday meetings but also consider bringing them to Thirsty Thursdays.

And remember we have an incentive program this year: \$100 off your bill in January for a guest you bring between now and then who joins the Club. Have two guests who become new members??...\$200 credit!! Max incentive is \$300 but don't let that stop you.

Growing our Club's membership allows us TO DO MORE FOR MORE... "IMPACT" is your payoff for the personal investment you are making in RCD!

Getting to Know You

Griff Ransom, Sailor and Construction Wizard

Griff was introduced to Rotary through his wife, Dottie Toney, who was already a member of our club. He participated in several activities as a Rotary spouse and then joined the club in June 2018. Griff has served on the board as the Sergeant of Arms. His favorite club activity was attending the district conference which he coordinated for the club last year.

After 35 years of residential construction, Griff retired in February 2020 from Obsidian Construction just in time for the COVID holiday. He grew bored quickly because he doesn't think that he has any hobbies so he returned to construction projects pretty quickly. When he's not fixing leaks and installing drywall at his home, he commutes regularly to downtown Atlanta to manage the installation of a modular home that his nephew is developing. And when he really wants to get away from work, he goes sailing on Lake Lanier, fishing for piranha in Brazil, and traveling with Dottie.

Dunwoody Launches Be THE Voice at Dunwoody Elementary

We are pleased to announce that Be THE Voice has launched at Dunwoody Elementary School, sponsored by our club! As we learned earlier this month, Be THE Voice is a student-led movement to promote kindness, compassion and inclusion from grade school to graduation! The program includes lots of fun activities in support of these messages and a strong anti-bullying message too. The program features High Five Fridays, World Kindness Day activities, Kindness Bingo, and a Random Acts of Kindness Souper-Bowl.

**Join Us in Celebration of Clubhouse Atlanta -
October 10**

As Executive Director at Clubhouse Atlanta, I would like to invite you to our 4th anniversary celebration on Thursday, October 10 at the Historic Donaldson-Bannister Farm in Dunwoody, GA. Join us for a great evening at Memberfest '24 and help support our mission.

Clubhouse Atlanta's (CA) mission is to provide a restorative environment for people who have had their lives disrupted by mental illness and need the support of others who believe that recovery is possible. CA gives members the opportunity to rejoin the world of friendships, family, employment, education, and the ability to access individual services and the support they need.

At Memberfest '24, you can stroll around the historic grounds at Donaldson-Bannister Farm - lush with ornamentals and hardwoods reminiscent of bygone days. The evening will include a live auction, live entertainment featuring a local favorite, Sawgrass Blues Band, delicious foods and much more! All proceeds from the event will go directly to support Clubhouse Atlanta, a non-profit organization whose vision is to provide an inviting place for adults living with a mental illness that gives them respect, dignity, and courage to reach their full potential.
