Last Friday, Past President Tina Philpot shared a little about herself.

Tina was born in Louisville, KY, just at the end of WW II, and raised in Chattanooga, Tenn. She used the theme from the September Rotary Magazine - "A Life-Changing Adventure", - to lead into her life changing adventure--a trip to Europe in 1968, as a new graduate of FSU.

"Our visit to Prague just as the Russians were preparing to cross the border, and the 'control' of the citizens in Prague, Czechoslovakia, by the Russians led me to come home and rethink my career--from Systems Analyst to Economics College Professor--a career I just retired from after 42 years with DeKalb College/ Perimeter College at GSU." Tina said this experience has led her to treasure Rotary's outreach to students ... through programs like Rotary Youth Exchange and GRSP. The picture here is from food-

packing during one of Dunwoody's GRSP Leadership weekends.

Tina also noted the delightful adventure of joining Rotary 18+ years ago, and the excitement of participating in the leadership structures of this great organization!

Membership Corner

Grow Dunwoody!

This year, we're focused on membership. It's our committee's goal to welcome 18 new members this year ... that's 1 1/2 people each month. So far, we have one new member - we're counting on you to bring more people to visit.

This Friday is a great time to bring somebody who is looking to make a difference in the world to be inspired by what Rotary is all about. They can join us in person at the Dunwoody County Club or via Zoom. Getting someone to visit is **half** the battle! Let's start October with a big push to grow our visitor population - and inspire folks to join our mission to make a difference while having fun.

Let Membership Chair Darrin Vanderpan know if you have questions or need help as we look for ways to Grow Dunwoody!
