The Friendly Breakfast Club

OCTOBER 21, 2020

This Week's Speaker

Rob Sayer, Founder and Director, The Music Class, Inc.

This week you can join us live at the Dunwoody Country Club or via Zoom to hear our speaker - Rob Sayer - speak about his experiences with The Music Class, Inc. Rob will be joining us via Zoom. To join us there, just follow the Zoom link - **https://us02web.zoom.us/j/86202979419**.

"Perhaps the reason I love music and teaching so much is because they both encompass creativity, working with others, and an endless path towards improvement."

Dunwoody. Since then, we have been working to identify a project with CAC. For the next three months, we have committed to bringing a team of eight volunteers on the first Saturday of November, December and January to help cleaning, processing donations that come in and stocking shelves in the food pantry.

Our first group volunteer activity will be **Saturday, November 7 from 9:00 am - 12 noon at CAC's Sandy Springs facility**. Anyone who is interested may come for required training. If you have children who are at least 15 years old, you are welcome to bring them too. If we have more than eight volunteers, some will be released after training and can sign up for one of our other dates. Click to learn more ...

Have Old Electronics You'd Like to Recycle?

Two of our DeKalb Rotary Council partners - the Rotary Clubs of Tucker and Stone Mountain - will hold an Electronics and HME (home medical equipment) Recycling Day on Saturday, November 7, 2020, at Handy Hardware, 3969 Lawrenceville Highway (Town Square Center) in Tucker, Georgia. The proceeds will benefit FODAC (Friends of Disabled Adults and Children). This is not the first time we have supported FODAC - and it's a great way to get rid of old electronics or gently used HME.

Working and non-working electronics (with the exception of CRT monitors and televisions) and gently used HME, such as wheelchairs, crutches, walkers, commode chairs and shower benches, will be accepted for recycling at no charge, but participants are encouraged to make a donation to FODAC. Funds and equipment collected from the event will support FODAC’s main program supplying HME to the mobility impaired and their caregivers, at little or no cost to the recipients.
