online. This is very challenging for the students and their families. Deprived of normal social contact, some children are experiencing isolation, depression, and impaired learning during critical development stages.

You can help to make a positive impact in the lives of these children in our community by donating just a little of your time. The DeKalb Rotary Council has identified at least two opportunities presented through the South DeKalb Improvement Association Education (SDIAE) - for reading buddies and tutors. Membership Corner

Plan to Grow!

We have one new member for this Rotary year - and have been happy to welcome a few visitors - but we are on the search ... for friends, neighbors and community leaders who would like to help the Rotary Club of Dunwoody make a difference in our community and the world.

So I invite you - our extended "membership committee" - to identify one person you think might be just right for Rotary - and invite that person to join us ... for Thirsty Thursday tomorrow or one of our Friday meetings - live at the Dunwoody Country Club or via Zoom. Our speaker committee - led by Kathy Brandt - has put together an interesting line-up dof programs and we'd love to include some guests in their audience.

Thank You!

Watch for Your Opportunity to Vote for New Dunwoody Police K9 Names

The Dunwoody Police Department is starting our K9 program in the first quarter of 2021. The Dunwoody Police Foundation, supported by a generous donation from the Rotary Club of Dunwoody, recently made a $20,000 donation for both dogs' purchase and training. We will send officers to training in early January.

The implementation of our new K9 program would not have been possible without the Rotary Club of Dunwoody's support.

We need your help again! We need to name both of our dogs. As Ardy mentioned last Friday, we were asked to submit names; so was the City of Dunwoody Staff and the Dunwoody Police Foundation. We will identify the top 10 names and distribute a Survey Monkey to citizens through our communication channels, and citizens will vote for the top two names.

One dog is a Belgian Malinois, and the other one is a Dutch Shepherd.
