The Friendly Breakfast Club

MAY 19, 2021

In This Bulletin ...

We're counting on you to join us at the Member Social this Thursday night - and bring a friend! There's another service opportunity early Thursday morning - read about it, our June year-end celebration, the great service projects we completed last week, our new international grant in Puerto Rico, and some of our Rotary Foundation contributors. It's all here in the newsletter.

No meeting Friday ... hope we'll see you Thursday night!

RCD is Ready to Grow ...

Who are You Bringing To This Thursday's Social?

We hope to see you - and a family member, friend or colleague - at our membership social tomorrow night - Thursday, May 20 at 5:30 PM at Le Meridien Perimeter Atlanta, 11 Perimeter Center West, Atlanta GA 30346! This replaces our Friday meeting this week - and we hope it will be just as successful as our Leap Into Rotary event "long ago" in February 2020.

We'll buy everyone who attends a drink and share some

Our Rotary Foundation at Work

We're Approved!

We just received this message from The Rotary Foundation, "Congratulations! Your global grant application for funding to provide over a two-year period of training, education, community mobilization, and staff to spray insecticide, monitor, and surveillance mosquito populations that spread diseases such as dengue and Zika on Culebra Island, Puerto Rico, submitted by the Rotary Club of San Juan and District 6420, has been approved by The Rotary Foundation. The award is in the amount of US$ 199,500."

Thanks to Dunwoody Rotarians for the $7,500 that you will be contributing to make this project happen. As always, I couldn’t imagine doing Rotary without my Dunwoody Rotary family.

Dunwoody

In parallel universes last Friday, the Rotary Club of Dunwoody pulled off a two service project day - prepping books and packing lunches! And if that wasn't enough, we were back at it Saturday morning, with the Bounds Garden Sprucetanza! That following an amazing weekend at the Dunwoody Arts Festival, where the front page article in this week's Crier cited the festival organizer as saying, “As usual, the Dunwoody Rotary Club volunteers were amazing with helping vendors load and unload.”

Those of you at our regular Friday morning meeting last week prepared 1,000+ books that will be given this week to each and every student at Dresden and Kingsley Elementary Schools. This year, our bookplates encouraged students to "Enjoy Summer" ... in most years they have a holiday message because the books are distributed in December. Veteran book "guru" Roy Ethridge led our efforts at the meeting; District Governor Elect Mary Ligon joined in the fun; Jack Sparks coordinated the overall project but couldn't be with us on Friday.

And while the books were prepared, a separate Dunwoody Rotary crew was makin, sandwiches and packing 85 lunchboxes for the USO - led by Charlie Augello. The lunch crew included Carl Giametta, Jennie Stipick, Nick Augello, Bob O'Brien and Dottie Toney.

And Ranger Fred led a team at the Bounds Garden traffic garden Saturday morning as they spruced the

place up! Thanks to Tina Philpott, Jim Riticher, Rick Otness and of course, Ranger Fred!
