Dunwoody Joins DeKalb Rotary Council to Collect Medical Equipment

Last Saturday, Dunwoody Rotarians joined with other clubs in the DeKalb Rotary Council to collect used medical equipment for Friends of Disabled Adults and Children (FODAC). The day started with breakfast, then the group split into teams to pick up and organize equipment. Dunwoody has been involved with this event for several years. This project has collected about $1,000,000 worth of durable medical equipment from local residents and businesses in the metro Atlanta area; that equipment is then refurbished and redistributed to those in need. Thanks to Rick Woods for coordinating our effort - and to all of you who participated! Click more to see additional photos!

- That means our Laws of Life Scholarship Fund received an equal amount ... this annual essay contest helps to encourage our high school students to think about what they've learned in various life experiences about the importance of good character and giving back. Learn more about **Laws of Life** and ask George Stewart about how you can help.

And remember, the pot starts over again this Friday!
