How We Can Help the People of Ukraine

The Rotary Foundation creates channel for direct humanitarian support in Ukraine region

At this week's Board meeting, our club's board of directors voted to approve a $3,000 donation to The Rotary Foundation's Disaster Response Fund with funds earmarked for helping Ukrainian refugees. The Rotary Foundation Trustees have decided to prioritize contributions made to the Disaster Response Fund until 30 April 2022 to support disaster response grants for districts affected by these events. Individuals and clubs are welcome to make contributions to this fund,

Any club members or other individuals you know who would like to do something to help can make contributions directly to this fund, and Rotarians will receive credit toward their donor status at the Rotary Foundation for any contributions they make.

You can read about other opportunities to make contributions on behalf of Ukrainian refugees in **an article that appeared in the district newsletter for March.**
