Golf Tournament Update

Why Your Support is Important ...

There are at least two great reasons to support our May 15, 2023 FORE the Memories Golf Tournament:

- It supports the work of the Alzheimer's Association. As you can see from the statistics here, Alzheimer's impacts both individuals with the disease and their caregivers. The Alzheimer's Association provides care for Alzheimer's patients and support for caregivers, as well as driving medical research. Our support helps them help more people every day.
- The tournament also benefits the Rotary Club of Dunwoody Charitable Fund and some of the projects we do to make a difference in the community.

That's why we're asking you to help identify local businesses and individuals who might want to be Tournament Sponsors - because it's good exposure for their business and/or because they want to help in the work we do in the community.

With the help of the Alzheimer's Association, we have created a great sponsor package you can share with everyone who might be interested in becoming a tournament sponsor. To make that easy, we've added the document to our Resource library - you can click on **2023 Fore the Memories Golf Tournament Sponsor Package** to take a look, download to share with friends or businesses, and even take a look at what you might like to do to sponsor this major fund-raising event.
