Join us this Friday at the Embassy Suites, where our own Jackie Cuthbert will talk about the realities and the magic of the Georgia Rotary Student Program (GRSP). Find out why Jackie has been involved in the program for almost her entire Rotary career - and believes the program offers value to students, host families, Rotary Clubs and the world we live in. And learn about Dunwoody's investment in the program.

GRSP started almost 80 years ago in 1946, when Thomasville Rotarian and future District Governor Will Watt envisioned a program that would bring together college students from war-torn Europe for a year of study and cultural exchange here in Georgia. He believed the program's future would help to "build peace through understanding" by making it possible for young people from around the world to get to know each other better. Today, the program has sponsored about 3,800 students from 120 countries. [read more]

three-hour session.

Wondering what it's all about:

- Fact: Through participation in athletics, Special Olympic athletes learn life skills that transfer to home, community, school, work place.
- Fact: While Special Olympics athletes work hard to achieve their goals, thousands of volunteers partner with athletes helping them achieve success.
- Fact: Dunwoody Rotarians and Atlanta Rotaract have an opportunity to make a difference in the lives of 150+ DeKalb County special needs students and their families.

Dunwoody Helps 89 Kingsley Families

T

Thanks to everyone who helped gather food items at Costco, buy turkeys at Publix, assemble harvest baskets, and provide assistance getting these heavy boxes to the cars of grateful recipients! All your efforts made Thanksgiving special for 89 needy families at Kingsley Elementary - and provided food for another week or so. Special thanks to Honorary Dunwoody Rotarian Anita Augello and her daughter Claudia for once again coordinating our efforts. Anita is also coordinating our efforts to provide a new book to each Kingsley student as part of Dunwoody's holiday tradition and commitment to education.
