MAY 20, 2025

We Are Sad to Report …

This past week, Carter Stout's mother Barbara "Ann Reid Stout, passed away peacefully at the age of 88.

A funeral mass will be held this Thursday, May 22, at 10 AM at St. Thomas Aquila's Catholic Church, 535 Rucker Road, Alpharetta, Georgia 30004-4048, followed by a visitation in the Parish Hall. I lieu of flowers, the family has requested donations to the Memorial Fund Scholarship at St. Pius X Catholic High School, where Ann was both an alumni parent and grandparent.

alumna of Florida State University. Her career path has been diverse, beginning in nonprofit management where she supported national teen physical and mental health initiatives and spearheaded a collegiate program.

Meghan's connection to Innovative Design begin as a client twice entrusting them with her home renovations. After the birth of her son Henry, she transitioned to the Innovative team, now serving as a project developer, guiding clients through the design-build process for the past six years. Her empathy, honed by her own experience as a client, allows her to truly understand and fulfill her clients' dreams of restful personal spaces.

Rotary was always a familiar name to Meghan, thanks to her Rotarian father. It was a serendipitous conversation with former client Rick Woods about her charitable work that led to her coming to our club. She quickly convinced her firm to sponsor our golf tournament and has been an active member ever since.

Meghan cherishes the sense of community and purpose Rotary offers. Along with her husband, Pete, she's hosted two club events at her home, including a wine tasting and a welcome reception for our international students, Hoa and Bin. The FODAC drive has been a particular favorite, allowing for meaningful one-on-one connections while providing comfort for those in need. She has also enjoyed volunteering at the Special Olympics basketball event. Meghan hopes our club continues to offer diverse, smaller scale projects like the canned soup and sock drives, providing more opportunities for many members to engage and give back.

Anchor Place

We are Still Collecting Plastic Bottle Caps!

We're planning an art project at Anchor Place that will require LOTS of plastic bottle caps - save all sizes and colors (ask your friends to help) and bring them with you to Rotary! We will need a lot of BLUE caps to make an Anchor - milk offers a good source of blue!

We hope to do the project mid-summer.

You can bring any bottle caps you have already collected to the meeting this Friday - or bring them on a future Friday. Any of our Anchor Place volunteers - Jackie Cuthbert, Fred Bounds, Tina Philpott, Louise or Ron Barden - would be happy to take them off
