Survey for Member Passions Deadline Extended to **Friday, September 22, 2017!**

We want, virtually, everyone in the Club to take the survey.

To date we have only 41 members that have completed the survey, but we really want the whole Club (100% of the members) to take the survey.

We are trying to realign Club activities to better match the passions of our members. If you don't take the survey, your passions won't get factored in., and that would be counter productive.

The average time to complete the survey is running about 18 minutes.

Here is the link to the survey:https://www.surveymonkey.com/r/wrl7YMT

Job Well Done!

Seven brave souls faced down the terrors of bringing order to the Club's storage unit. For two hours on Saturday, September 9, 2017, this group first emptied the storage unit, then placed those items in plastic bins, and finally moved the bins back into the storage unit.

When the team first arrived at the Storage unit, you literally could not walk into the unit because it was so packed with loose stuff. The team included **(PDG Bill Mulkey, Bob O'Brien, President Rick Otness, Mike & Claudio Parks, Teak Pacetti, and Rick Woods)** quickly sized up the situation and then followed a

methodical plan.

They removed everything from the storage unit and sorted items by activity (Governors Ball, 4th of July, RunDunwoody, Archive materials, GRSP , and general supplies). Once items were grouped by activities, the items were containerized into bins, so the items could easily be transported to and from events. Finally, the bins were placed on the storage unit's shelves in areas dedicated to the specific event.

The result can be seen in the attached photos. Please thank these brave souls. We had a great time, imbibing coffee and Munchkins from Dunkin' Donuts while making the storage unit safe for all Rotarians (and workable). Although this isn't something flashy, it will pay big dividends by allowing the Club to operate more smoothly and readily handle big events.

Corporate Membership Amendment Voting Results & Next Steps

Vote on Amendment Split

The amendment to allow Corporate Members was approved by a vote of 51-For / 6-Against.

The amendment to allow non local members was tabled after several questions were raised regarding the language in the amendment. Some of the issues raised were:

1. Confusion over which costs are covered by the lower dues, and whether other costs, such as member assessments, are mandatory

for this class of membership

2. Some members want a better definition of what constitutes the area that a member must leave before being able to request this class of membership.

With all the questions being raised about non-local membership, a motion was made and seconded to table the amendment.

A vote indicated a majority of members favored the motion to table, so the amendment will be brought back to the Membership Committee to be reworked in order to take into amount the concerns expressed by the Membership.

Pumpkin Carving Event - October 29, 2017!

The Rotary Club of Dunwoody is proud to announce another fun Family of Rotary event and the dedication of the Club's latest Brook Run Park Service Project.

On **Sunday, October 29, 2017** (at **Brook Run Park**) the Club will hold a Tree Planting dedication, followed by a pumpkin decorating contest plus a pizza party. This is surely going to be a fun day for the entire family and especially for the kids and grand kids. There is no charge for this event!

The fun will begin at **2:00 PM ET**:00 pm at Brook Run Park with the Club's dedication of our new Rotary Grove. Under the direction of **Ranger Fred Bounds**, our club plans to plant five (5) trees a year, each year for four (4) years for a total of 20 trees. The grove is to be dedicated to those members of the armed forces from Dunwoody who served and sacrificed for our freedom.

We hope to see everyone at Brook run Park to participate in this new community venture and fun filled day.

Sign up now for Tour of Grady Memorial Hospital

A few weeks ago our speaker was Frank Blake, Chairman of Grady Hospital Corporation. We learned many interesting things about Grady and the services they offer the greater Atlanta metropolitan area. They are nationally rated and provide outstanding services for burn victims, stroke patients, ER services and many other medical conditions.

Out tour date is **Thursday, November, 16, 2017 at 11am**.

Our plan is, hopefully, to have volunteer drives so we can carpool. Dependent upon the number of cars, the hospital will reserve spaces for us in the employee parking deck. It is always fun to ride together and share Rotary ideas and get to know each other better. Please sign up and check off if you are willing to drive on the sign up sheets. The sheets will be on the tables during our meeting or RSVP to **Past President Kathy Brandt** no later than **Friday, September 22, 2017!**

The hospital has requested us to let them know by the 22nd so they can starting organizing and planning resources to be our guides.

RCD Caring Hands

An oft-quoted maxim says, "*No one cares how much you know, until they know how much you care*". *- Theodore Roosevelt*

The cards for members and their families that circulate during our meetings are one way to express shared joy over good news or shared concern about difficulties experienced. As one of our members recently stated at his return from surgery, getting a card with heartfelt greetings from all the members present helped him feel better and heal sooner.

Once we know our friendly breakfast club is also a caring club, our dedication to "*Service Above Self*" is stronger and we look forward to participating in projects and events with other Rotarians. If we are in need of a service, the first call made will be to a Rotarian.

So, if you are aware of an approaching or pat event worthy of celebration or concern, please tell **Dottie Toney-Ransom** at toneydot@me.com. You can also write it on either a yellow card (for joy) or a blue card (for concern) and leave it on the table, or place it in Dottie's hand at the end of the meeting.

We ARE a very caring club! Thank you for helping to make it so.
