After nearly a year of correspondence, with the help of Charlie Augello, RCD is in line to be the International sponsor for a GG with the Rotary Club of Cesena, Italy. This grant will address the needs of those affected by dementia, including families and victims. To explore this opportunity further, the Bardens and Philpott's will attend the MCW in September in Matera Italy. During the conference they will meet members of the Rotary Club of Cesena, hear about other projects and solicit financial support for the GG from attendees from other Rotary clubs. (No RCD funds will be used for travel to this workshop).

Conversations on potential rebuilding projects to assist Caribbean islands affected by recent hurricanes are ongoing.

The International Committee will meet in May after the District Conference in Sandestin. All are welcomed to attend. Date and place will be announced. Email Louise Barden if you are interested in attending.

YEAR-END CELEBRATION

Mark your calendar and join fellow Dunwoody Rotarians for a Thursday night cocktail party/reception at the Dunwoody Country Club!

The party begins at 7:00 pm and will include hors d'oeuvres with the first drink on the Club. Come on your own or bring your spouse/partner to celebrate this year under President RickOtness, enjoy fellowship with the Dunwoody Family of Rotary, and talk about opportunities to serve/have fun in the 2018-19 year with Rick Woods as our president.

The event is designed to be informal – with plenty of time to mingle with friends. You'll also have an opportunity to visit tables/displays for each of our major focus areas. Directors and committee chairs will be on hand to hear your ideas and share some of the good things we have planned for the coming Rotary year. It's a great opportunity for you to see what's planned, get your questions answered, and express your ideas about the types of service the Rotary Club of Dunwoody should be considering for the future.

We'll take a few minutes at the end of the event to honor this year's Rotary Foundation donors and Club "All Stars," and plan to have you on your way by 8:30 pm or so.

There will be no regular meeting on Friday, June 15.

RCD is looking for host families

Hosting an exchange student can be incredibly rewarding for your family, bringing an international experience directly into your home. Host families provide room and board and share their lives with exchange students, involving them in family, community, and cultural activities. The RCD is looking for host families for our inbound student for next year, Mink from Thailand.

If you're willing to experience one of the largest programs in Rotary by sharing your home and learning about a new culture, or you know a family that would be interested, contact Mike Parks, Dottie Toney-Ransom, Tania Lopez, or Jennie Stipick.

What are the responsibilities of a host family?
To accept the exchange student as a new member of your family. The student will be governed not only by the rules of the program but by the rules of your household. You are responsible for the safety of the exchange student the same as for your own children. Although you might become a bit more of the soccer mom or dad for normal everyday activities, it is not your responsibility to act as a taxi service or a tour guide. Rotarians for the hosting club will be helping in these areas.

You can find more information about being a host family in http://www.ryeflorida.org/host-family
