Lucky 13 Serve as Bus Drivers for Dunwoody Nature Center Butterfly Festival

Thanks to 13 of our finest, the thousands of attendees at this year's Dunwoody Nature Center Butterfly Festival were lucky enough to have a ride from the festival's offsite parking lot to the Nature Center. This was Dunwoody's eighth year of providing drivers for this Saturday event, and just one of the many things we have done over the years to support the Nature Center. You can go all the way back to the late 1990s to find the Dunwoody Family of Rotary helping with fall clean-up, and many of those same people (including Hoshi's kids and President Cathie's mom) in the early 2000s to paint the main Nature Center building inside and out! We have helped out with summer camp on occasion and with ushering for summer concerts. Several members - including President Cathie and Immediate Past President Rick - have served on the

Rotary Youth Exchange Needs You!!

Our committee needs some additional members! Please take this opportunity to meet some amazing high school students who want to be a part of the Rotary Youth Exchange program. We especially could use help with recruiting outbound students for the 2020-21 school year – recruiting starts in August! All that is required is (1) a criminal background check; and (2) a short on-line training regarding interactions with Youth Exchange students. That's it!! Other volunteer opportunities (i.e., meeting make-ups!) also are available. Please contact Deb Cameron with questions or to get involved in this great Rotary program: dsc630@gmail.com or 404.668.1259.

Save the Date: September 22 GRSP Welcome Party

Plan to join us at the Woulfins on Sunday, September 22 to give GRSP student Yemariam Workneh a warm Dunwoody welcome and have some serious fun with your Dunwoody Family of Rotary! The event is likely to start about 2 pm and continue through dinner. We'll provide more specifics as we get a little closer.

Celebrating Our International Reach

Would you like to go to Brazil in October?

We have been working with the Rotary Club of Felipe Bassura's mother to purchase equipment for a neo-natal unit at Santa Casa Hospital in Brazil. Felipe was our GRSP student two years ago. We are the lead international partner for this project through The Rotary Foundation. Some equipment has arrived, and all will be delivered by end of September, and we have received an invitation through Felipe from our club partner for our club to visit the hospital and attend a special celebration (quinceanera) for
